

HAZMAT Fleets

Geotab's GPS fleet platform has been designed with the fleet user in mind and enables Checkmate reports to drive payback for fleet users. Below are the most common Geotab Checkmate resource reports for HAZMAT fleets:

Trips & Activities Report

An accurate driving log of stops and starts along with address and other useful trip information for proof of activity for owned or contracted vehicles.

View Trips

No other system in the world records and shows you a trip as well as Geotab's patent pending GPS processor.

Speed Profile & Accident Reconstruction

Geotab provides second-by-second GPS details of the final 90 minutes before an accident occurs. This feature is critical when reconstructing and analyzing accident situations.

Monitoring PTOs & Auxiliaries

Geotab can monitor PTOs, pumps, switches as they relate to the material being handled. Device usage is reported and can be easily displayed on a map.

Geotab Provides The Most Accurate GPS Trip Recording In The World

- Wireless data upload via 900 MHz RF solution and no monthly running costs
- Operational WiFi solution integrates with existing wireless routers and supports WPA and WEP encryption
- View your assets in real-time with the GO Live solution. GSM and CDMA options are available
- GPS navigation support for Windows and Windows Mobile devices
- Up to 30,000 records on-board recording using the world's only GPS discriminating processor that accurately depicts distance while optimizing memory
- Second-by-second accident data
- Flexible base unit allows future plug-in options including real time cellular or satellite AVL solutions
- Monitors auxiliary devices (PTOs)
- Vehicle immobilization writing is available as an add-on accessory
- Tamper resistant/water resistant housing

Geotab is the first expandable platform in the world that allows fleet managers to create the right hardware and software configuration to meet their operating objectives and budget. To review your fleet-specific requirements for productivity and ROI, please invite Geotab for a 2 hour fleet and business strategy meeting where addressing your objectives is our priority.
